

**Course Name:** Innovation in Your Team.

**Reference Code:** MAN 170

**Description:**

This course will take trainees through how to incorporate innovation and creativity into the workplace. It offers insight into best practices to help high-performing teams reach their innovative potential. In addition, trainees will learn how to create a space for innovation to thrive, nurture new ideas, learn from challenges, and build room for experimentation and play. The course also exposes trainees to the importance and impact of innovation as key to an organization's success, a distinguishing mark from competitors, and an essential component for future growth.

**Course Objectives:**

This course aims to:

- Analyze the impact of team innovation.
- Explain the psychology of innovation.
- Recognize collaboration, experimentation, and reflection.
- Explore how to create a space to thrive.

**Program Methodology:**

Exploratory, experiential, interactive.

**Who Should attend?**

Professional employees (all levels).
